

Laureen Cardoza

Laureen has been an educator for 19 years. She received her Bachelor of Arts Degree from Fresno State and her Master of Arts in Educational Counseling from University of San Francisco.

Prior to working in education, Laureen worked in the human services field for twelve years. She served as a school counselor for the Atwater Elementary District for two years and has worked for the Merced Union High School District for seventeen years. As the district College Counselor, Laureen travels to five high schools to assist students with their college planning.

In her free time, Laureen enjoys ceramics, theater, and spending time with her children.
